

Hibernia Atlantic Adds Tibus To Its Channel Reseller Program To Further Its Reach in Northern Ireland

This Platinum Level Partnership Extends Hibernia's Presence With a Recognized Market Leader

SUMMIT, NJ & DUBLIN, IRELAND- May 25, 2010- [Hibernia Atlantic](#), the only diverse transAtlantic high bandwidth connectivity provider, announces it has selected [Tibus](#), a web and networks services provider as its market partner in Northern Ireland. Hibernia Atlantic's competitive [channel partner program](#) is designed to provide its partners with the latest in connectivity technology and superior support.

Tibus, a subsidiary of UTV Media plc with a wide product portfolio including managed services, hosting, content delivery, digital strategy and web development, reaches a diverse range of customers across many vertical markets throughout Ireland and the United Kingdom. With core services addressing the network needs of both public and private sectors ranging from small to medium enterprise, as well as with multi-national corporations, Tibus also manages the streaming provisions for UTV and a wide range of media clients across the Republic of Ireland and Great Britain.

Providing reliable, [next-generation services](#) for media, enterprise and wholesale clients, Hibernia's product suite includes dedicated Ethernet and optical level service up to GigE, 10G and LanPhy wavelengths across a redundant and secure transAtlantic footprint. Additionally, with the impending completion of the [Project Kelvin](#) cable, Hibernia Atlantic will have further network access into key cities throughout Northern Ireland, connecting local businesses with high capacity to global marketplaces in London, mainland Europe and North America.

“Committed to the success of our channel resellers, the Hibernia team welcomes Tibus to our partner program,” states Fergus Innes, Vice President of Sales, EMEA at Hibernia. “Tibus' wide market reach throughout Northern Ireland and across the United Kingdom complements Hibernia's robust network connectivity providing 'security through diversity' across this region.”

Andrew Maybin, Network Services Director at Tibus continues “We’re delighted to be selected by Hibernia as their partner in Northern Ireland. This transatlantic fibre connectivity is unique and hugely important in terms of the province’s competitiveness in the global marketplace. We’re looking forward to working with companies wishing to invest in Northern Ireland as a location for their digital business. Making fibre optic capacity available to local businesses at an affordable price is equally as exciting to us. We are proud to partner with Hibernia to bring these services to existing and prospective businesses in Northern Ireland”.
